- SAP CoE Development

SKILLS & COMPETENCES

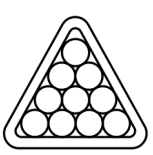

- Project management
- ITIL
- ERP implementaion
- M&A projects
- Food & Ag Industries
- Data Mngt
- Green-field projects
- Leadership
- Risk tolerance
- Trouble shouting

I've built 2 SAP CoEs, 2 PMO CoEs, 1 Master Data CoE, launched 3 large-scale ERP projects (3.5 bln € revenue). My projects have collected all possible awards in SAP world (quality, value, innovation, local, regional and international). I will do my best to build strongest SAP practice in MEE region and implement the world-largest/widest SAP implementation in Poultry/Food industry.
