

IRYNA DIDKOVSKA

SAP FM Consultant

PROFILE

- SAP ERP system configuration, customization, and support
- Design and implement SAP-based solutions for financial business processes

SKILLS & COMPETENCES

SAP business processes knowledge

Business analysis

Attention to detail

Time mgmt.

Communication

Learning

Problem solving

I have 7 years of experience in configuring, customizing, and supporting SAP FI: submodules mainly SAP PSM-FM, PSM-GM, FI-BL, and in some parts FI-AP and FI-AR.

Dealing with SAP Finance projects such as budgeting, planning, cash flow, bank accounting, and reporting.

I yearned to learn more and expand my skills beyond PSM-FM.
