SKILLS & COMPETENCES

SAP PM

ISO 14224

SAP MM

S4HANA

INVENTORY

SUPPLY CHAIN

DELIVERY

ERP PjM

With a background in mechanical engineering and information systems and technology, which helps me to see solutions from different perspectives.

More than 15 years of experience in asset data maintenance, optimization, and management. Worked extensively in areas such as master data collection, analysis, and maintenance set-up.

Had the privilege of working with companies such as Noble, Siemens, Maersk Oil & Gas, Seadrill and others. Looking forward to bringing this experience and knowledge to my work at MHP
